CAREERS IN MATHEMATICS
A Conference for Undergraduates
9:00–3:30, October 3, 2009

Come visit Millersville University for the ninth biannual EPADEL *Careers in Mathematics* Conference. Professional mathematicians with a wide range of experiences will share stories and perspectives about careers in mathematics. Students will get a chance to interact personally with the speakers during three break-out sessions. For more information, visit our web page at
http://math.moravian.edu/careers_conference

Preregistration forms with payment must be received on or before October 1, but we encourage you to reply early because break-out sessions are scheduled on a first-come, first-serve basis. (Please print.)
